Voice Remote

### COX

#### 1 Meet Your Remote

#### Turn On Your Remote

Your remote arrives with the AA batteries already installed, but not activated. Here is how to power it on for the first time.

A Pick up your remote and remove the "Pull" tab (on back) by pulling away from the remote. The Status LED will blink green four times as the remote powers up (about 5 seconds).

## Use voice control to search for networks and shows, set DVR recordings,

Pair Your Remote for Voice Control

and get recommendations. See Step 5 of this guide for examples.

- A Press and hold the Setup button (about 3 seconds) until the Status LED changes from red to green .
- B Press the CONTOUR button.

- C Follow the on-screen instructions to enter the 3-digit code that appears.
- Once the code is correctly entered, your CONTOUR Remote is paired with the device.
- Not working? Make sure the battery tab from your remote is removed, your TV is on and you are entering the correct 3-digit code on your TV screen.

### Control Your TV's Power and Volume

- A Using the list on the right, find the first 5digit code for your TV manufacturer.
- B Press and hold the Setup button (about 3 seconds) until the Status LED changes from red to green .

C Enter the **first** 5-digit code for your TV manufacturer. The Status LED should flash green twice

D Verify that the code was accepted by using your remote to adjust volume and turn the TV on and off.
